

14th International Conference on Applied
and Theoretical Electricity

ICATE 2018

October 4-6, 2018, Craiova, Romania

Certificate of attendance

On behalf of ICATE 2018, we are grateful to

Marcel Nicola, Claudiu-Ionel Nicola, Sebastian Popescu, Dumitru Sacerdoțianu, Marian Duță

for presenting the paper

Power Quality Analysis System Based on LabVIEW Real-Time and Reconfigurable FPGA Modules Using Wavelet Transform

as remarkable contribution to the improvement of achievements in the field of applied and theoretical electricity.

Conference Chair,

Maria BROJBOIU, Professor
